Profile

Bachelor's degree in Administration, with a specialization in Public Administration and Social Management (UNFV). Budget specialist at a public higher-education institution since February 2025, with earlier experience in public administrative management. I am taking the Diploma in Data Science for the Social Sciences and Public Management at PUCP and use Python and R to analyze Peru's open data on public budgets, public safety and gender.

Work experience

Budget Specialist Feb 2025 – present

Planning and Budget Office · Monterrico Public Teacher Training College (Ministry of Education)

- Take part in formulating and evaluating the institutional budget.
- Coordinate, review and consolidate budget modifications.
- Review and assess requests for budget credit.
- Manage spending allocations by expense category and funding source with requesting departments, and track execution in SIAF.
- Review and reschedule the Institutional Operating Plan (POI) quarterly in CEPLAN's V.01 system.
- Implement internal technical guidelines for budget formulation, monitoring and evaluation, aligned with the Ministry of Education.
- Prepare reports on budget formulation, monitoring and evaluation by budget goal and cost center, and technical reports on additional funding requests and agreements.
- Contributed to institutional management documents, including the 2025 and 2026 Annual Work Plans and the 2025 Annual Report.
