

Noelia Fernanda Leon Ruiz

Budget Specialist · Bachelor's in Administration · Data science

Lima, Peru · nfernandaleonruiz@gmail.com · noelialruiz.github.io · github.com/NoeliaLRuiz · linkedin.com/in/noeliafernandaleónruiz

PROFILE

Bachelor's degree in Administration, with a specialization in Public Administration and Social Management (UNFV). Budget specialist at a public higher-education institution since February 2025, with earlier experience in public administrative management. I am taking the Diploma in Data Science for the Social Sciences and Public Management at PUCP and use Python and R to analyze Peru's open data on public budgets, public safety and gender.

WORK EXPERIENCE

Feb 2025 – present

Budget Specialist

Planning and Budget Office · Monterrico Public Teacher Training College (Ministry of Education)

- Take part in formulating and evaluating the institutional budget.
- Coordinate, review and consolidate budget modifications.
- Review and assess requests for budget credit.
- Manage spending allocations by expense category and funding source with requesting departments, and track execution in SIAF.
- Review and reschedule the Institutional Operating Plan (POI) quarterly in CEPLAN's V.01 system.
- Implement internal technical guidelines for budget formulation, monitoring and evaluation, aligned with the Ministry of Education.
- Prepare reports on budget formulation, monitoring and evaluation by budget goal and cost center, and technical reports on additional funding requests and agreements.
- Coordinate with the Ministry of Education's sector analysts and advise the head of the office on budget matters.
- Contributed to institutional management documents, including the 2025 and 2026 Annual Work Plans and the 2025 Annual Report.

Oct 2024 – Jan 2025

Technical assistant, common data upload

Planning and Budget Office · Monterrico Public Teacher Training College

- Registered, routed and tracked the office's documents in SINAD, SIGA and SIAF.
- Uploaded the school's common data into its information system and answered queries on the status of procedures.

Mar – Sep 2024

Administrative and accounting assistant

VIP Viajes y Representaciones S. A.

- Prepared monthly sales and purchase settlements.
- Handled visa application procedures for Japan and China.
- Produced monthly reports with each department; organized and updated records and processes.

Sep 2022 – Jul 2023

Administrative assistant to the General Manager

Purchasing Executing Unit for the Ministry of the Interior (NEC MININTER)

- Drafted letters and reports replying to public agencies.
- Helped draft contracts for goods and/or services and certificates for administrative staff.
- Tracked management procedures and coordinated with requesting departments.

Jan – Aug 2022

DATA PROJECTS

Fewer victims, more violence (2026). Dashboard of crime across Peru's 26 regions, 2010–2025, built with Ministry of the Interior open data, plus a reel narrated with an AI clone of my voice.
noelialruiz.github.io/Python_intermedio_2026/tarea_3/web

MCP server for the MEF's Consulta Amigable (2026). Lets an AI assistant look up public spending and cite the source of each figure: 10 out of 10 correct answers, versus none without it. github.com/NoeliaLRuiz/mcp-consulta-amigable

What burned? (2026). Peru's wildfires analyzed with Sentinel-2 imagery, land cover, nearby buildings and distance to fire stations. github.com/NoeliaLRuiz/Python_intermedio_2026
